EMPLOYEE BARGAINING AGENCY DESIGNATION

By Designation dated December 18, 2000, the International Union of Painters and Allied Trades and the Ontario Council of the International Union of Painters and Allied Trades were designated as the employee bargaining agency in the industrial, commercial and institutional ("ICI") sector of the construction industry in Ontario to represent in bargaining all journeymen and apprentice painters, employees engaged in the laying of resilient tiles, ceramic tiles, hardwood tiles, sheet goods, linoleum or carpets, or drywall tapers, plasterers, or fireproofing applicators ("designated employee bargaining agency").

Since then, the designated employee bargaining agency has made a request to divide its Designation to enable it to bargain two provincial agreements for the employees it represents. This request is supported by the Council of employers' associations consisting of the Ontario Painting Contractors Association, the Interior Systems Contractors Association of Ontario, and the Acoustical Association Ontario, the corresponding designated employer bargaining agency.

THEREFORE, pursuant to my authority under subsection 153(5) of the *Labour Relations Act, 1995*, I hereby amend the above-mentioned Designation dated December 18, 2000, so that the Designation reads as follows:

Pursuant to clause 153(1)(a) of the *Labour Relations Act, 1995*, I hereby designate the International Union of Painters and Allied Trades and the Ontario Council of the International Union of Painters and Allied Trades, as the employee bargaining agency to represent in bargaining all journeyperson and apprentice painters, employees engaged in the laying of resilient tiles, ceramic tiles, hardwood tiles, sheet goods, linoleum or carpets, or drywall tapers, plasterers, or fireproofing applicators in the following two provincial units:

1) A provincial unit of all journeyperson and apprentice painters;

and,

2) A provincial unit of all employees engaged in the laying of resilient tiles, ceramic tiles, hardwood tiles, sheet goods, linoleum or carpets, or drywall tapers, plasterers, or fireproofing applicators;
